## Driver Installation of Safenet ikey 2032 and E-token for Windows XP

## **Installation Guide**

Dohatec Document Signer has an excellent option for browsing certificates from USB token also. For accessing the certificates inside USB token, one needs to know the password of the vendor's tool for the token as well as know how to install the necessary drivers for using the tools. Steps are given below so that one can easily install the drivers.

Step 1 - Download the driver from the CD. Double click the "setup.exe" file of the driver
